

Comfortable. Versatile. Aesthetic.

A traditional and robust design, a wide and comfortable seat depth make Northside a welcoming chair in all circumstances. The working sessions, whether short or long, are held in maximum comfort.

NORTHSIDE IN ALL CIRCUMSTANCES

Northside fits perfectly as a visitor seat or in a meeting room. The combination of high quality coating as well as an elegant and comfortable backrest enable pleasant and friendly meetings.

Northside provides a comfortable seat: whether for short or longer working sessions, videoconferences, training or group work. Stackable with or without armrests, it can quickly and easily reconfigure a workspace.
