

## Design with performance. Now better than ever.

In 2007, FrameOne desk caught the attention of the world with its innovative triangle leg. It quickly became the icon of elegant design and forever revolutionised the industry. Ten years later, we proudly introduce the next generation of FrameOne desk. It offers the unique and elegant design and materiality choices, combined with increased performance thanks to new features and options. Perfect for a world dominated by collaboration, global integration and shared spaces, FrameOne is more relevant than ever.

## SOPHISTICATED AESTHETICS

- FENIX NTM opaque acrylic resin tops: anti-fingerprint and low light reflectivity features keep the sleek surface looking clean.
- Raw wood tops: bring the outdoors in and add a biophilic element to the office to increase worker wellbeing.
- Lux coatings paint for legs: a range of tasteful colours allow FrameOne to stand out in the right way.
- Renaissance colours: the perfect option for personal expression and customisation, these accent colours allow clients to integrate FrameOne into their brand and culture.
